GROUP FITNESS SCHEDULE-CLASS DESCRIPTIONS

STRENGTH CLASSES

LIVWELL STRENGTH

A fun & total body workout for seniors & anyone new to exercise. This class incorporates easy movement patterns to improve daily living skills through better balance, strength, flexibility & agility. Hand-held weights, resistance bands, & a ball are offered for resistance & a chair is used for seated and/or standing support. Strength training is the only type of exercise that can maintain muscle & metabolism as we age.

STRENGTH

This low cardio, high strength class combines traditional strengthening exercises with HIIT interval timing to give your muscles a great workout. This class focuses on form and different tempos to help build strength during your workout.

STRONGER TOGETHER

Ready to get stronger? Stronger Together is the perfect way to build muscle and increase your endurance using barbells and weights. In each class, you'll work all your major muscle groups by doing classic strength training exercises like squats, presses, and rows set to upbeat, motivating music. Classes will be guided through each move, ensuring proper form and providing modifications so that all can work at their own pace. Whether you're a seasoned lifter or just starting out, this class is a great way to boost your metabolism, tone your body, and have fun while you're at it. Let's get strong!

ABS

This class focuses on the foundation of our bodies. A strong core will help in all other aspects of exercise and functional living. This class will focus on strengthening not only the abs but the lower back and glutes to give you a stronger more functional core. Combine this class with TRX for a full 55 minute workout.

TRX TOTAL BODY

TRX uses gravity and body weight to perform exercises to strengthen your core and increase muscular endurance, while providing a total body workout. The best thing is that all fitness levels can join in because you're in control of how much you want to challenge yourself on each exercise. Simply adjust your body position to add or decrease resistance. Combine this class with Abs to for a full 55 minute workout.

STRENGTH INTERVALS

This time-based interval class mixes a variety of strength exercises together to give you a fun workout, tailored to everyone's intensity level. The class incorporates a variety of equipment including weights, step, ball, bosus, bands, and participants body weight, making it an ideal class for participants of all fitness levels. Participants can expect 70-80% strength and 20-30% cardio during the class.

TOTAL BODY SENIOR

Enhance your cardiovascular and muscular endurance with a standing circuit workout. This session alternates between upper-body strength exercises using hand-held weights, elastic tubing with handles, and a ball, and low-impact aerobic choreography. A chair is provided for support, along with full-body stretching and relaxation in a comfortable position.

FLEXIBILITY CLASSES

STRETCHING

This class is designed to increase flexibility for sports, activities and daily living. This stretching class is for both men and women.

CARDIO DANCE CLASSES

CLUB MOVES

Club Moves features today's top dance hits and funky upbeat moves. We will practice several warm up songs to get you comfortable with the basic dance moves used throughout the class. This class is perfect for the person wanting to have fun and "get down" with exercise.

ZUMBA® FITNESS

Zumba® is an exhilarating, effective, easy to follow, Latin-inspired, calorie-burning dance fitness party. It blends red-hot international music and contagious steps to form a "fitness party" that is downright addictive. Fun and challenging for any fitness level!

LINE DANCING

Introductory Line Dancing - It's not just Country! Participants will learn a variety of steps, terminology and patterns that are used by instructors from coast to coast. You will then progress to a variety of entry level choreography to music you may know and love. The dances learned will be an enjoyable treat for both the body and the brain.

CARDIO & STRENGTH CLASSES

HIIT

If you're bored of your current cardio and weight regime then it's time for HIIT. Using a variety of equipment and your own body weight, you will be pushed to the limit. This class will focus on short bursts of intense training. Remember all classes can be modified to your personal needs and goals.

Foreverwell CLASSIC

Move to the music through a variety of exercises designed to increase muscular strength, range of movement and activity for daily living skills. Hand-held weights, elastic tubing with handles, and a ball are offered for resistance and a chair is used for seated and/or standing support.

INTERVAL CARDIO STRENGTH

This time-based interval class mixes a variety of strength and cardio exercises together to give you a fun workout, tailored to everyone's intensity level. The class incorporates a variety of equipment including weights, step, ball, bosus, bands, and participants body weight, making it an ideal class for participants of all fitness levels. Participants can expect 70-80% strength and 20-30% cardio during the class.

CORE & MORE

This class focuses on abs, glutes, legs, and lower back using a variety of equipment and body resistance. A challenging variety of abdominal and core exercises will tone and strengthen your midsection while gluteal focused moves work your backside.

CARDIO CLASSES

CYCLING

A heart-pounding, low-impact workout. All fitness levels welcome! Speed, endurance and overall fitness will be improved. Instructors will lead class through various "team" activities and "relay races" to keep you engaged and moving.

POWER BEATS & CORE BEATS

Come join us for a heart-pounding, stress reducing, hour of pure drumming fun. Power beats utilizes drumming to get you moving and grooving, and will make you forget you are working out! If you need a bit of energy added to your workout this is the class for you. Core Beats focuses more on the core area.

FREE Wellness Series

Mindful Movements Series

This series is free group fitness classes, for members only, designed for anyone, emphasizing posture, balance, flexibility, and strength. The class is suitable for all fitness levels. It provides a welcoming environment where participants can enjoy a variety of exercises that enhance coordination, boost mental well-being, and encourage social interaction, all without needing prior experience.

YOGA

YOGA

This class gives you the opportunity to explore ways to create increased flexibility, strength and peace. The goals of the class are to recognize postures and exercises that safely work for you. Each class includes gentle warm-ups, flowing movements, static holds, and ends with a period of rest. Yoga is for everyone! All fitness levels are welcome.

POWER FLOW YOGA

Power Yoga Flow is a high-energy class combining mindfulness with fitness. It starts with centering exercises, moves through dynamic poses and core work, and ends with a cool-down and relaxation. Suitable for all levels, it builds strength, focus, and body awareness.

YOGILATES

Yogilates blends yoga and Pilates for a workout that improves flexibility, strength, and core stability. The class combines flowing yoga poses with Pilates exercises to enhance posture, balance, and overall body awareness. Suitable for all levels, it promotes relaxation while building strength and endurance.

AQUA CLASSES

WATER EXERCISE

Exercise your entire body without straining your back or joints. This class improves cardiovascular fitness, muscular strength, endurance, and flexibility.

GENTLE WATER EXERCISE

Gentle Water Exercise is designed for those who have Arthritis, Fibromyalgia, Parkinson's Disease, serious back problems and other conditions. Gentle water walking and range of motion exercises are done in comfortable, shallow water to help alleviate pain and extend range of motion.

POWER H2O

Power H2O provides a high-intensity workout that includes a combination of shallow and deep-water exercises to increase strength and endurance for the entire body. A variety of equipment is used.

AQUA BEATS

Those looking to make a splash by adding a low-impact, high-energy aquatic exercise to their fitness routine. Aqua Beats uses music to drive the feel of the class while still using traditional water exercise moves. There is less impact on your joints during an Aqua Beats class so you can really let loose. Water creates natural resistance, which means every step is more challenging and helps tone your muscles.

S'WET

This high-intensity, low-impact class is designed to help you reach your fitness goals! Exercises are performed in both shallow and deep water, but no swimming skills are needed to participate. Regardless of your age or fitness level, you can achieve noticeable results through workouts that incorporate cardio, strength and resistance training exercises. You can push the boundaries or move at your own pace in this challenging aqua training class.
