YMCA OF THE NORTHWOODS FALL 1, 2026 PROGRAM GUIDE

About Us

YMCA of the Northwoods

The Y is comprised of individuals who have a shared commitment to nurturing young people, promoting healthy living and fostering a sense of social responsibility. Strengthening community is our purpose, and that's why we believe that lasting personal and social change can only come about when we all work together.

YMCA Values

- In 1994, the Y defined "character" as the demonstration of four core values: caring, honesty, respect and responsibility. Today, these values continue to guide everything we do.
- Caring: Show a sincere concern for others. This means helping a neighbor or volunteering.
- Honesty: Be truthful in what you say and do. This means keeping your word and being fair.
- Respect: Treat each other as we'd all like to be treated. This means valuing everyone.
- Responsibility: Be accountable for your promises and actions. This means taking the blame when you make a mistake and trying to fix it.

Our Culture

Every day and in everything we do, we strive to create a culture that is welcoming, genuine, hopeful, nurturing and determined for all our staff, members, program participants and volunteers.

- Welcoming: We're open to all and create spaces where you can be, belong and become.
- Genuine: We value who you are and encourage you to be true to yourself and others.
- Hopeful: We believe in your ability to inspire a brighter tomorrow.
- Nurturing: We are with you in your journey to develop your full potential.
- Determined: We work relentlessly to strengthen communities, starting with you.

24/7 Access

Need a workout that fits your schedule?

With 24/7 Access, eligible adult members can enjoy the flexibility of using the YMCA outside of staffed operational hours, including holiday closures. Your 24/7 membership provides access to the Wellness Center, Gymnasium, and Family Locker Room whenever the facility is open for after-hours use.

Getting started is easy! Visit the Welcome Center to complete the 24/7 Access Waiver and pay the one-time \$25 key fob activation fee. A recurring \$5 monthly security and maintenance fee will be automatically charged to your billing method on file on your selected monthly draft date.

24/7 Access Expectations & Responsibilities

- Access is limited to approved adult members (18+) only.
- Each 24/7 member is required to use their own assigned key fob when entering the facility.
- Key fobs are non-transferable and may not be shared or used to allow entry for another individual.
- Every authorized 24/7 member must individually scan their key fob prior to entering the building.
- Members who forget their key fob or require replacement assistance must seek support from the Welcome Center during staffed hours. Access without a key fob is not permitted; members who arrive without their key fob must return with it before entering the facility.
- Guests are not permitted during unstaffed hours.
- Members are expected to follow all facility policies and posted guidelines at all times.
- For safety and security purposes, the facility is monitored.
- To maintain the integrity and safety of the 24/7 program, allowing entry to individuals who have not individually scanned into the facility may result in suspension or complete termination of 24/7 access privileges.
- 24/7 access is available only to members whose memberships remain active and in good standing. Memberships that become suspended, terminated, or reach 60 days past due will have 24/7 access privileges suspended until the matter is resolved.
- 24/7 access is a revocable privilege. The YMCA reserves the right to suspend or revoke 24/7 access for unpaid fees associated with 24/7 services, delinquent accounts, policy violations, or other circumstances determined by the YMCA.

Additional Safety Reminders

- Because the YMCA operates without staff present during 24/7 access hours, we encourage all members to familiarize themselves with emergency procedures and safety resources within the facility. Please take a moment to note the locations of emergency exits, emergency telephones, AEDs (Automated External Defibrillators), and first aid supplies. In the event of an emergency, call 911 immediately.
- We also encourage members to exercise with another authorized 24/7 member whenever possible and to use equipment responsibly and within their comfort and ability level.

Help Us Maintain a Safe Environment

- If you witness an emergency or a situation involving immediate danger to a person or property, please call 911 immediately. An emergency phone and AED are located both at the Wellness Center desk and Welcome Center desk. No prefix is required when dialing phone numbers.
- If you observe behavior that does not align with 24/7 access expectations but does not present an immediate safety concern—such as unauthorized entry, failure to scan a key fob, misuse of equipment, or other policy violations—we ask that you contact the YMCA and leave a voicemail with details by the next business day so the situation can be reviewed and addressed appropriately.

We appreciate your partnership in helping us maintain a safe, respectful, and accountable environment for all members.

YOUTH & TEENS

Beck Family Y

Baking

Join our Youth Baking Class for a fun, hands-on introduction to baking! Students will learn essential skills—measuring, mixing, decorating, and kitchen safety—while creating delicious treats. Perfect for beginners or young bakers who love to get creative in the kitchen!

Basketball

YMCA youth basketball is great for all skill levels. Participants will enjoy learning the fundamentals of basketball in a noncompetitive environment. Each day of the program will feature a skills clinic and games where kids can practice what they have learned right away in a recreational setting! This program is offered to ages 8-12.

“WILD CREATIONS” Art Class

Each week, we'll explore different art techniques and materials, from painting to sculpture, in fun and engaging 55-minute sessions. Kids will have the opportunity to express their creativity, develop new skills, and make new friends. Our experienced instructors will guide them through each project, ensuring a supportive and inspiring environment. By the end of the program, every child will have a collection of their own unique artworks to take home and cherish.

Preschool Sports

Join in all the fun with this class just for preschool-aged children. This class is to get some of that extra energy out or for those who just want to have fun playing with others. Participants will learn the very basics of multiple sports and work as a team to have fun. Classes will be held either at the YDC Gym or the YMCA Gym depending on the day.

Zumba Kidz

Perfect for our younger Zumba® fans! Kids 7-11 years old get the chance to be active and jam out to their favorite music. Zumba® Kids classes feature kid-friendly routines based on original Zumba® choreography. We break down the steps, add games, activities and cultural exploration elements into the class structure. Helps develop a healthy lifestyle and incorporate fitness as a natural part of children's lives by making fitness fun. Classes incorporate key childhood development elements like leadership, respect, team work, confidence, self-esteem, memory, creativity, coordination, cultural awareness.

Soccer

The Youth Soccer Program is for boys and girls of all skill levels for ages 7-12. The program stresses the importance of sportsmanship and teamwork as the participants learn the game and have fun. Beginners will enjoy learning and building on the fundamentals of soccer. Basic skills of dribbling, shooting, passing and team play will be taught.

ARCHERY

Learn and practice archery skills from basic safety to advanced competition shooting. Participants will gain confidence handling equipment, understanding proper stance, and improving accuracy through guided instruction. Students will learn from our two coaches and focus on skills based on their level and ability. Offered for ages 8-18.

YOUTH & TEENS

Beck Family Y Gymnastics

Parent/Child

Parents are required to help their children during class. Children explore beginning tumbling skills that develop balance, body awareness, coordination, and motor skills while utilizing equipment stations. The class will emphasize having fun and growing self-confidence in a social atmosphere. We offer a beginner class for ages 2-4 and an intermediate class for ages 3-5.

Intro 1 & 2

This program is for children with little or no prior gymnastics experience. Basic gymnastics skills on the floor, bars, beam, and vault will be taught including forward and backward rolls, handstands and cartwheels. Intro 1 is for ages 5-7 and Intro 2 is for ages 7-16.

Flippers

This program is for children with beginning-level gymnastics experience who have mastered the skills required in an Intro gymnastics class. The class stresses form and body control of basic gymnastics skills on all apparatus. More challenging skills of tumbling including back walkovers and front and back handsprings will be introduced.

Twisters

This program is for gymnasts that have accomplished all the necessary skills required through completing the Flippers. This class works on advanced Gymnastics Skills.

Competitive

The competitive team is by invitation only. Those interested in the competitive team will need to express interest and be evaluated by the lead instructor. The level of expectation is higher for competitive team members. Participation during the season is expected with excused absences (sickness, family, or school obligations) accepted. Practices will be 2-3 days a week during the season. The competitive team meets year-round with scheduled breaks in the summer and over holidays and school breaks. The competitive season can run from September through May, with approximately one meet a month on a weekend starting in October. Not every meet is required, however, once registered for a meet the fee isn't refundable.

PARENT & CHILD SWIM LESSONS

Parent & Child Level 1 is for children 6 months to 2 years old.

Parent & Child Level 2 is for children 2 – 3 years old.

Parent & Child swim lessons introduce infants and toddlers to the water in a fun, supportive environment alongside a parent or caregiver.

These classes are designed to meet children's developmental stages and focus on water comfort, basic swim readiness skills, and essential aquatic safety. With hands-on guidance from instructors, families practice entering and exiting the water, floating, blowing bubbles, submerging, and simple arm and leg movements, while parents learn important water safety, life jacket use, and supervision skills.

PRESCHOOL SWIM LESSONS

Preschool Swim Lessons are for children ages 3 to 5.

Preschool Level 1

Swimmers familiarize how to enter and exit the water safely, breath control, submerging, supported front and back floats, supported arm and leg actions on front and back. Develop positive attitudes and safe practices in and around water.

Preschool Level 2

Swimmers submerge comfortably in chest deep water and swim on front and back independently 3 body lengths. Build endurance and independence in gliding on front and back, front and back crawl, elementary backstroke, and treading water. Water safety skills are reinforced. Must be school age to move to Learn To Swim Levels.

Preschool Level 3

Swimmers with limited swimming experience explore water safety and basic swimming skills, such as: submerging, supported front and back floats, rolling front to back and back to front, gliding, kicking, front crawl arms, and jumping in.

LEARN TO SWIM LESSONS

Our Learn to Swim Program is for children ages 6 to 14.

Learn to Swim Level 1

Swimmers who are comfortable in the water and able to coordinate swimming arm and leg action in the water, build on and improve water safety, breath control, submerging, front and back floats with minimal assistance for 15 seconds, arm and leg actions on front and back with minimal assistance for 2 body lengths.

Beck Family Y

Learn to Swim Level 2

Focus is building independence, good body control and position, forward movement, and water safety. Introduces rotary breathing, prolonged front floats, treading water, and elementary backstroke.

Learn to Swim Level 3

Swimmers have completed level 2 or have equivalent skills including front and back floats, treading water, and swim float swim. Skills are performed independently, improving coordination of previous skills with longer distance in deep water. Introduces front crawl, breaststroke kick, dolphin kick, elementary backstroke, and scissor kick.

Learn to Swim Level 4

Swimmers have completed Level 3 or have equivalent skills including, being able to swim front crawl and elementary backstroke independently 15 yards to enroll. Builds endurance in front crawl, elementary backstroke, treading water with modified scissor kick. Introduces backcrawl, sidestroke, turns at wall, butterfly, breaststroke, and feet-first surface dive.

Learn to Swim Level 5

Swimmers must be able to swim front and back crawl 25 yards, breaststroke, side stroke, and butterfly to enroll. Builds endurance and refines breaststroke, sidestroke, front crawl, back crawl, butterfly, elementary backstroke, and treading water. Introduces front crawl and back crawl flip turns, and the importance of CPR/First Aid.

PRIVATE SWIM LESSONS

Private swim lessons are for people of ages and abilities. Please see our registration page to find available times. Please note that these lessons coincide with instructor availability.

ADULT FITNESS

Beck Family Y

ABS

This class focuses on the foundation of our bodies. A strong core will help in all other aspects of exercise and functional living. This class will focus on strengthening not only the abs but the lower back and glutes to give you a stronger more functional core. Combine this class with TRX for a full 55 minute workout.

TRX TOTAL BODY

TRX uses gravity and body weight to perform exercises to strengthen your core and increase muscular endurance, while providing a total body workout. The best part? All fitness levels can join in because you control how much you want to challenge yourself on each exercise. Simply adjust your body position to add or decrease resistance. Combine this class with Abs to for a full 55 minute workout.

TAI CHI

This gentle Tai Chi class blends traditional flowing movements with Tai Chi walking and balance exercises to improve stability, coordination, and confidence in everyday motion. Participants will practice slow, intentional steps, weight shifting, and posture awareness to strengthen the legs, calm the mind, and enhance overall body control.

STRETCH & CORE

This class is designed to increase flexibility and core strength for sports, activities and daily living. Core strength and flexibility are integral parts of maintaining good balance. Stretch & Core is open to both men and women.

CLUB MOVES

Club Moves features today's top dance hits and funky upbeat moves. We practice several warm up songs to get you comfortable with the basic dance moves used throughout the class. This class is perfect for the person wanting to have fun and "get down" with exercise.

ZUMBA

Zumba® is an exhilarating, effective, easy to follow, Latin-inspired, calorie-burning dance fitness party. It blends red-hot international music and contagious steps to form a "fitness party" that is downright addictive. Fun for all fitness levels!

LINE DANCING

Line Dancing – It's not just Country! In both Line Dancing and Beginner Line Dancing, participants will learn a variety of steps, terminology and patterns that are used by instructors from coast to coast. You will then progress to a variety of entry level choreography to music you may know and love. The dances learned will be an enjoyable treat for both the body and the brain.

POWER PLAY

Bored with your current cardio and weight regime? Then it's time for HIIT / POWER PLAY! Using a variety of equipment and your own body weight, you will be pushed to the limit. This class will focus on short bursts of intense training. Remember all classes can be modified to your personal needs and goals.

FOREVERWELL CLASSIC

Move to some of the best music ever made. A variety of exercises to increase muscular and core strength, range of movement and activity for daily living will keep you upright and mobile. Hand-held weights, elastic tubing with handles, stability ball, and chairs are used in the class.

INTERVAL CARDIO STRENGTH

This time-based interval class mixes a variety of strength and cardio exercises to give each participant a fun workout, tailored to their intensity level. The class incorporates a variety of equipment including weights, steps, balls, bosus, bands, as well as using the participant's body weight. An ideal class for participants of all fitness levels. Class breakdown: 70-80% strength | 20-30% cardio.

S'WET

This high-intensity, low-impact aquatic class is designed to help you reach your fitness goals! Though exercises are performed in both shallow and deep water, no swimming skills are needed to participate. Regardless of age or fitness level, you can achieve noticeable results through this fun workout that incorporates cardio, strength and resistance training exercises.

BODIES IN MOTION

Bodies in Motion is an all-levels functional fitness class designed to enhance balance and how your body moves in everyday life. We will utilize a variety of exercise equipment to achieve our goals. We will go through dynamic and active range of motion drills; focus on functional, multi-joint movements; incorporate strength training and low-to-moderate impact intervals, which will improve heart health and stamina. We will wrap it all together with a great playlist. (Roster Class)

PILATES

A Pilates workout improves flexibility, strength, and core stability. The class combines exercises to enhance posture, balance, and overall body awareness. Suitable for all levels, it promotes relaxation while building strength and endurance.

WATER EXERCISE

Join in the fun! Exercise your entire body without straining your back or joints while you enjoy the social aspects of this class. You will see improvements in cardiovascular fitness, muscular strength, endurance, and flexibility.

AQUA BEATS

Look to make a splash by adding a low-impact, high-energy aquatic exercise to your fitness routine. Aqua Beats uses music to drive the feel of the class while still using tradition water exercise moves. There is less impact on your joints during an Aqua Beats class so you can really let loose and have some fun! Water creates natural resistance, which means every step is more challenging and helps tone your muscles.

GENTLE WATER EXERCISE

Gentle Water Exercise is designed for those who have Arthritis, Fibromyalgia, Parkinson's Disease, serious back problems and other conditions. Gentle water walking and range of motion exercises are done in comfortable, shallow water to help alleviate pain and extend range of motion.

STRENGTH

This low cardio, high strength class combines traditional strengthening exercises with HIIT interval timing to give your muscles a great workout. This class focuses on form and different tempos to help build strength during your workout.

BEGINNER TAI CHI

specifically designed so that anyone can learn Tai Chi, we will work with the Simplified 24 Step Tai Chi Form over the course of several weeks. Tai Chi improves core strength and balance through a series of movements designed to increase the flow of energy (chi) within the body.

STRONGER TOGETHER

Ready to get stronger? Stronger Together is the perfect way to build muscle and increase your endurance using barbells and weights. In each class, you'll work all your major muscle groups by doing classic strength training exercises like squats, presses, and rows set to upbeat, motivating music. Classes will be guided through each move, ensuring proper form and providing modifications so that all can work at their own pace. Whether you're a seasoned lifter or just starting out, this class is a great way to boost your metabolism, tone your body, and have fun while you're at it. Let's get strong

POWER H2O

Power H2O provides a high-Intensity workout that Includes a combination of shallow and deep-water exercises to Increase strength and endurance for the entire body. Often done in a boot camp style, aerobics along with a variety of equipment used.

CYCLING

This energizing indoor cycling class combines motivating music, inspiring coaching, and adjustable resistance to create a challenging workout for all fitness levels. Improve cardiovascular endurance, build lower body strength, and burn calories as you climb hills, sprint through intervals, and ride at your own pace. Whether you're new to cycling or a seasoned rider, you can customize the intensity to meet your goals in a supportive and encouraging environment.

POWER BEATS

Feel the rhythm and unleash your energy in Power Beats, a fun and dynamic drumming-based fitness class! Using stability balls and drumsticks, participants drum to upbeat music while performing cardio, strength, and core-focused movements. This full-body workout improves endurance, coordination, balance, and muscular strength while providing a stress-relieving and energizing experience.
